**UNOPPOSED MOTION FOR ADDITIONAL EXTENSION
OF TIME TO ANSWER OR OTHERWISE RESPOND**

COMES NOW Consolidated Defendant, Google Inc. (hereinafter “Google”) and for this Unopposed Motion for Additional Extension of Time to Answer or Otherwise Respond states the following:

Google has previously obtained an agreed 30 day extension of time in which to respond to Plaintiff's Complaint. This extension expires on October 17, 2012. Google has requested and Plaintiff has agreed to an additional extension of 30 days. Said extension is necessary based on Google's continuing investigation into the accused products and asserted patents. Given that over 150 claims are involved in this case and over 300 references are cited in the file history, it taking additional time for Google to complete an adequate investigation and formulate its response to the Complaint. Therefore, good cause exists to grant this additional extension of time.

WHEREFORE, PREMISES CONSIDERED, Google respectfully requests that the Court grant this extension and allow it until the close of business on November 15, 2012, to respond to Plaintiff's Complaint.

Respectfully submitted,
